The base salary placement for Mr. Trotz onto Management Appraisal and Performance Plan (MAPP) Tier I Salary Range R15, the Board approved range for this position, will place Mr. Trotz beyond the control point of the range. Based on Mr. Trotz's extensive experience and the role and responsibilities he will be assuming, this is an appropriate salary placement.

In this capacity, he is responsible for the creation, development, and management of a first-in-the-nation housing development within a public health agency, managing a \$30 million budget with a staff of 120 employees working in a diverse range of disciplines. From 1994 - 1996, he worked as the Director of Homeless Services for the Mayor's Office of San Francisco. From 1990 to 1994 he was the Senior Project Manager in the San Francisco Mayor's Office of Housing, responsible for all aspects of the development and financing of affordable housing projects. In accordance with our current managerial appointment procedures, unless otherwise instructed by your Board by October 15, 2012, the Chief Executive Office will advise the Department of Health Services that authorization has been granted to proceed with Mr. Trotz's appointment to Deputy, Management Programs, Health Services, Unclassified, at an annual salary of \$170,000 on or after October 15, 2012.
